

C-130 Light String

Aero-Land offers a customized Light Kit (ALLK-130) which includes the light strings, a storage box (ALSB-5441) and light bulbs (ALBB-123). The light bulbs for the C-130 Aircraft come in Two (2) Large Carrying Cases (ALBB-C130) of 57 light bulbs with a minimum of One Plug. Each of these items can be purchased separately depending on the needs of the customer. Also listed below are the individual Light Strings available for the C-130 for various areas located on the aircraft.
