# FSI's New K-1000-3
Sheet Metal Fastener Installation Kit

The Bottom Layer

The New FSI Sheet Metal Fastener Installation Kit is equipped with everything needed to install most all blind fasteners up to 1/4" diameter, solid AD fasteners, Jo-Bolt fasteners, and Hi-Lok fasteners, The kit is an excellent stand alone ABDR Kit or DART Kit, but also can be used as an extension to your General Mechanic Tool Boxes in Phase Level Work, ISO Level Work and Depot Level Work.

All tooling is supplied in a State of the Art System including Router Cut Foam for Rapid Inventory and Hardigg Transport Case with extra handles including telescoping transport handle, end casters, locking cable/hasps, purge or fill valves and forklift provisions or skid runners. Suitable for AVIM or AVUM LEVELS.
